PLANT SELECTION

1. Coreopsis 'MoonBeam' (*Coreopsis verticillata* 'Moonbeam').
2. Tall Bearded Iris: White or light shades of blue or purple).
3. Lavendar 'Munstead' (*Lavendula augustifolia* 'Munstead').
4. Painted Daisy (*Chrysanthemum coccineum*).
5. Daylily 'Happy Returns' (*Hemerocallis* 'Happy Returns').
6. Salvia 'East Friesland' (*Salvia x superba* 'East Friesland').
7. Silver Mound (*Artemisia schmidtiana*)
8. Pincuhion Flower Pink (*Scabiosa columbaria* 'Pink Mist').

This perennial border touches only the surface of what your garden can achieve. The plant selections are readily available in most areas and will grow well in most conditions. The garden should have full sun and needs at least a half day of sun to bloom well. You may find that your plant choices are different and that's okay. Feel free to tuck constantly blooming annuls into blank spots for a spectacular show all season long.
